

# Road Construction

## Lane Closures

**Danridge Road:** South bound lanes (Only) between Chiesa Road and Waterbury Drive will be reconstructed. South bound traffic will be moved to the North side of the road during the construction. There will be a single lane for each direction. GISD employees will have access to the schools at all times. The project will take approximately four weeks and weather permitting Tri Con will begin on June 18, 2012
